COURSE OBJECTIVES

This 45-hour training program is designed to provide participants with a thorough introduction to Canada's federal and Ontario's provincial legal systems and legal terminology.

The course is ideal for anyone who provides legal information and support services, or legal referrals, within a community-based environment. Whether you use this knowledge on a daily basis or whether you want to expand your understanding in this area, the Legal Systems and Legal Terminology course will enhance your skills.

By the end of the course, clients will:

- Understand the structure of the Canadian legal system
- Understand Canada's Common Law system and how it differs from that of Civil Law
- Understand how laws are made in Canada and Ontario
- Know what legal issues fall under Civil/Common Law
- Be conversant with Canada's Criminal Code
- Understand relevant tribunal and appeals processes
- Understand the benefits and responsibilities of the Canadian legal system

On successful completion of the course, participants will be given a certificate.
